Meet Dan Singer, Poway’s New City Manager

The City of Poway recently hired its fourth City Manager since incorporation in 1980. After an extensive search, the City Council selected Dan Singer to lead the City of Poway. Dan joins Poway from the City of Goleta where he served as City Manager for nearly nine years. The following question and answers were provided by Mr. Singer’s professional background and family life.

Where are you originally from? Born in San Francisco, I grew up in the Bay Area in Oakland and then Lafayette, before leaving for college in Southern California.

Tell us a little about your family. I have been married to my wife, Olgia, for 27 years and we have two sons: Joshua, 21, and Aiden, 19.

When you have leisure time, what do you like to do? I love sports (mostly to watch), so usually have a ball game on the TV. On weekends, I enjoy golfing when I have the time. I also work out 2-3 times a week, which helps support one of my other hobbies, which is cooking, baking, and wine-tasting. My wife and I also love to travel and are hoping to do that more frequently now that our kids are adults.

Do you have any pets? No, which makes moving a bit easier! We lost our Golden Retriever, Max, two years ago and probably will get another dog soon.

Where did you go to college? Chapman University (although it was just a liberal arts college when I was there). Then went on to Graduate School in Upstate New York at Syracuse University’s Maxwell School of Citizenship and Public Affairs.

When and where did you begin working in government? Just out of Grad School. I received a paid internship working for the City of Lafayette. I worked in public works and the City Manager’s office and helped staff the planning department. I was also the staff liaison to a Blue Ribbon Parks Task Force.

What was the first permanent position you held? My first “real” job was Administrative Assistant in the City Manager’s office in Ojai before it was reclassified as “Assistant to the City Manager.”

If you had not selected government employment, what type of work do you think you would be doing? Non-profit work or communication skills and conflict resolution consulting.

What is your favorite part about being a City Manager? I love the interaction with people and I enjoy problem solving and thinking creatively about a community’s issues and challenges.

What do you feel was your greatest contribution to the communities you have worked for in the past? Recently in Goleta, it has been expanding economic development and establishing strong financial policies and stability. In Ojai, I had the privilege of doing a lot of project work, like establishing a local transportation system, rerouting the historic downtown area, and building and improving local parks.

What attracted you to Poway? I’ve been invited to the opportunity to work and live in highly desirable places (Lafayette, Ojai & Goleta), so Poway fits my criteria for having a high quality of life and being a desirable community. Through all my tenures here, I hope to build on Poway’s past successes.

Pardon our Dust!
The Poway Library is going to be generating dust starting late July. Coming soon will be a fresh, bright billboard! The library remodel project will improve sightlines, increase the amount of usable interior space, and allow for more natural light into the building. The improved functionality will also create more opportunities for the City and library to partner to provide programs and activities for teens and families. It’s a win-win for everyone!
The work will begin on the exterior of the building where a beautifully-designed patio cover will be installed over the area between the library building and the meeting room. This shaded space will be ideal for outdoor activities. The more extensive interior work will follow.

Pardon our dust until the end of the year as we create a fabulous new library for all generations to enjoy!

Helping Hands Hard At Work
Hundreds of Volunteers Turn Out to Make a Difference

On Saturday, April 26, the hills were alive with close to 300 volunteers pitching in to improve and beautify our local parks and trails. In spite of a rainy Friday night and waking up to cloudy skies, there was no dampening the enthusiasm and hearty work ethic of the helpful crowd.

This year’s focus areas were Lake Poway, Blue Sky Reserve, and Poway Creek Trail. Volunteers assigned to the Lake placed 26 tons of base material on Fisherman’s Trail, cleaned up the shoreline and trimmed landscaping bordering the park, performed extensive landscape maintenance in the primitive campground, and did a thorough clean up along the north side of Lake Poway Road. About 40 yards of debris was hauled away after the volunteers’ work was complete.

Blue Sky glistened after the special attention volunteers gave the nearby parking lot and entry areas. Beds along the parking lot were cleared of dead brush, 65 yards of mulch was placed in planters, four tons of cobble was used to enhance the gray area, and 30 yards of debris was removed from the area. Meanwhile, a dozen dedicated Poway Rotarians were hard at work on the Poway Creek Trail, where they performed cleanup maintenance on the trail segment between City Hall and Community Flood. The area overgrown vegetation is now about 20 yards lighter, thanks to the hard work of this volunteer team.

April’s community activities took months of devoted pre-planning by coordinators for the volunteer groups and City staff. The phenomenal success of this annual tradition can be directly attributed to the dedicated, volunteer work performed by event planners and to the community pride that shines from the enthusiastic, caring volunteers who generously give of themselves. A heartfelt thank you to all! Keep an eye out this summer for new tools that will help the City multi-volunteers with service opportunities.

There’s a New Sheriff in Town

In April 2014, the City of Poway welcomed Captain Bill Donovan who was transferred to the Sheriff’s Central Investigations Division. Jeff Masin is a 25-year veteran of the San Diego Sheriff’s Department. He began his law enforcement career as an academy recruit in 1989. After graduating, Jeff was assigned to the San Diego Central Jail until 1994 when he transferred to the Escondido Sheriff’s Station as a patrol deputy, promoted to FTO/Corporal, a CPOP’s deputy, and finally as a Detective in 2005. Jeff was selected as a Detective in the Sheriff’s Narcotics Detail and worked there for two for a half and a year. In 2007, he was promoted to the rank of Sergeant and worked at the Court Services Field Division in both the Vista and Lemon Grove Sheriff’s Stations. In December 2011, Jeff was promoted to the rank of Lieutenant and worked in the Communications Center and the San Marcos Sheriff’s Station. For the past year and a half, he has been the Lieutenant for the Sheriff’s Personnel Division. In March 2014, Jeff was promoted to the rank of Sheriff’s Captain and continued to work at the Sheriff’s Personnel Division. In April 2014, he was named the Captain of the Poway Sheriff’s Station.

Vegetation Management

From May through August of each year, the City of Poway conducts its annual Vegetation Management Program (VMP) and Wildfire Defensible Space Program (WDS). The purpose of the VMP is to manage and maintain the annual growth of soid, dry grass, dead shrubs, and dead trees on specific properties in order to minimize fire hazards through the dry season (typically May through November). Several hundred property owners currently participate in the annual program managed by the City’s Development Services Department. The program allows property owners the choice of completing the maintenance themselves or requesting that the City complete it for the cost paid through annual property taxes.

Property owners may utilize several different methods to manage vegetation. Mowing and weed-whipping are typically acceptable ways of cutting weeds. Weeds and grasses should be cut low to the ground and removed while leaving the roots intact to prevent erosion. Spraying with a weed killer is not an acceptable method to eliminate vegetation, as it leaves an abundance of seed heads that create a fire hazard. Burning is also not allowed. Dead shrubs and trees must be removed from the property and may require the use of hand held lars. In addition, any vegetation abatement operator using mechanical equipment is recommended to have immediate access to an operable water-filled fire extinguihers.

Properties in Poway have several native habitats, which are home to a number of federally protected, sensitive, rare, threatened, and endangered plant and animal species. Native vegetation includes but is not limited to, grassland, sage scrub, chaparral, and wetlands. Vegetation management within native habitat areas may be limited. If a property owner is in doubt as to what vegetation management should occur, the City may assist in identifying areas of habitat that should be avoided.

The WDS guidelines allow City staff to work in partnership with property owners to develop a plan to lessen the risk of wildfire and comply with environmental guidelines. The program’s purpose is to save homes during wildfires by reducing flammable vegetation around structures, creating what is referred to as “defensible space.” The program targets the reduction of highly flammable chaparral species and annual grasses within 100 feet of habitable structures. Property owners are required to complete the vegetation reduction within 30 days of being notified by the City. Homeowners who are asked to remove flammable vegetation may request information, including a map of their property, informational pamphlets, and a DVD regarding the program’s requirements, and a list of contractors that are available to assist in the task of work. Additionally, courtesy home assessments can be provided by City staff that include a detailed checklist to help residents determine the steps necessary to safeguard their property. These assessments include creation of defensible space, fuel reduction, intelligent landscaping, and fire resistant building materials. If you have questions or would like more information on these programs. answers to frequently asked questions are available on the City website at www.poway.org or you may contact Code Compliance at 858-668-4611 or via email at codecompliance@poway.org

Check Out Your New Utility Billing System

As many of you know, the City of Poway recently launched its new utility billing system and on-line payment program, called eCare. eCare offers much more consumer information and functionality. If you would like to use our new, enhanced online system to manage your account preferences, view your utility bill, set up automatic payments or receive an itemized payment summary, you are encouraged to register at eCare.poway.org. Once you have registered through eCare, and if you choose to set-up electronic payments for your account, you will be directed to a secure third party website allowing you to sign-up for automatic payments or make a one-time payment using your bank account. There is no cost to you to pay your water/sewer bill via direct withdrawal from your checking or savings account. For more detailed instructions on how to register and/or set-up your automatic payment schedule, please visit our website at www.poway.org/eCare.

REGISTRATION

There are 3 convenient ways to register for classes:

1. Mail-In
Mail-in registration may be paid by check or credit card (MasterCard or VISA). Checks should be made payable to the City of Poway. Cash will not be accepted. Please submit a separate check for each class requested. If space is not available in a class, that specific check will be returned to you without delaying your registration for any other classes.
Mail to: P.O. Box 789, Poway, CA 92074-0789

2. Walk-In
Walk-in registration is available at the Community Services Department during business hours.
Location: 13325 Civic Center Drive
Extended Hours:
Mon-Thurs: 7:30am-8:30pm
Fri: 8:00am-5:00pm (Closed every other Friday)

3. Online
Online registration is available by visiting the City of Poway web site below. A $1.50 convenience fee will be charged per class registration or waitlist request. Payment must be made by credit card only (MasterCard or VISA).
Website: www.poway.org/classes

REFUND INFORMATION: A full refund will be issued for all classes canceled or overlooked by the City of Poway and/or the independent contract instructor. Prior to the first day of class. Customer may request a refund prior to the start date. A cancellation fee of $15 per class will be deducted. On or in lieu of refund, customer may request a full credit to be placed on account. The account on credit will be valid for one year and may be applied to another event or registration. If the credit is not used after one year, the funds will be forfeited and the customer’s account will be closed. If a registrant fails to attend a program after it begins, the registrant is not entitled to a refund.

After the first day of class, refunds for refunds for classes, camps or programs with enrollment fees that are less than the $15 processing fee will automatically be given as credit on account. Exceptions may be authorized by the Director of Community Services. A doctor’s note or written request describing the extenuating circumstances must be submitted to the Community Services Department. If you have any questions, please call (858) 668-4570.

SWIM LESSON REGISTRATION
Please note the age and skill level requirements for each class. If you are unsure which level to enroll in, skill assessments are available at the Swim Center by appointment. Students enrolled above or below their ability level may be dropped if unable to transfer into an appropriate class. If you cannot make the first day of class, please call Austin Grosse at (858) 668-4683, prior to the start of the class to ensure that you are not dropped. Withdrawals will be contacted by phone, in the order they were received. Attending the first day of class does NOT increase your chances of being added to the waitlist.

FACILITY ACCESS is important to the City of Poway and we seek to ensure that all participants, including the physically challenged, have equal access to all facilities and programs. If you require assistance or have any questions, please call (858) 668-4581.

CLASS INSTRUCTION for most classes is taught by independent instructors contracted by the City of Poway. Class content, scheduling issues, and other concerns should be directed to the instructor. If your class is unresolved, please contact Community Services at (858) 668-4595.

POWAY RESIDENTS are defined as those persons who live within the City Limits of Poway. All programs are audited for compliance with the residency policies set by the City of Poway. Proof of residency may be required at the time of registration.

ENROLLMENT PRIORITY is determined on a first-come, first-served basis. On line and walk-in registrations are posted with the date and time of the transaction. Registrations received by mail will be posted in order of the date received by the City of Poway once the registration period opens.

FINANCIAL ASSISTANCE - PLAY
(Poway Leisure Assistance for Youth) Did you know that developmentally disabled individuals and youth might be eligible to receive up to 50% off the City sponsored recreation classes each season at no cost to you? To find out more, please visit our website at www.poway.org/play.
Commercial Vehicles

Powyay Municipal Code §10.28.170 prohibits the parking or standing of commercial vehicles on city streets. The term "commercial vehicle" includes large trucks, such as semi-trucks, and trailers such as boat trailers, utility trailers, stake-bed trailers, etc. If the Sheriff's Department determines the vehicle is parked in violation of Powyay Municipal Code, they have the option of issuing a parking citation, having the vehicle removed, or both.

Parked in the Pway Business Park

Powyay waterfront businesses have reported a recent increase in the number of vehicles being parked on streets for extended periods of time. Businesses are asked to ensure that their parking areas are adequately secured and monitored to prevent illegal parking.

Preventing sewer spills starts with our customers. Most spills can be attributed to greased and root blockages. The City appreciates your help in trying to eliminate sewer spills by:

- Immediately calling 858-668-4700 during business hours or 858-668-4731 after hours if you see, smell or suspect a sewer spill.
- Preventing drains from being clogged by disposing of grease properly and placing it in a small reusable container in the trash rather than down the drain.
- Keeping the sewer lateral clean through regular maintenance.
- Keeping roots out of sewer pipelines by planting trees and bushes away from your home lateral that connects to the public sewer line.
- Never throwing garbage or debris into manholes.
- Reporting any smell or a sewer problem by calling 9-1-1.

Even with a vigilant prevention program, spills can still occur. Calls from individuals who suspect they see a sewer spill are critical to achieving a zero spill goal. Many immediate reports from a watchful public have prevented spills in Powyay from reaching wastewater, thus minimizing the potential for significant fines.

In the event of a sewer emergency, an immediate response is critical. Large vegetative growth and root blockages may be required to clean up a spill. Sometimes the blockage that caused the spill can be cleared with available equipment and tools and flow can be returned to normal. Other times a bypass pipe may need to be installed until the main pipe can be repaired. Sometimes it is necessary to build temporary berms to divert the sewerage away from possible public contact, gutters that lead to the ocean, and property that could be damaged. City staff is on call 24 hours a day, seven days a week, including holidays, in order to respond to threats to public health, the environment, and property.

Take Out the Turf: Enhanced Rebates Offer Even More Savings!

One of the turf replacement programs available to Powyay residential, commercial, and institutional water customers has been made even sweeter. The City of Powyay and the Metropolitan Water District (MWD) have both added funds to MWD’s SoCal WaterSmart turf replacement program. You may be eligible for a cash rebate of up to $2.50 per square foot (up to $450 per yard) from MWD and $500 ($450 with Powyay rebate) for replacing existing water-intensive turf with grass with water-efficient landscaping. Some customers may also be eligible for the San Diego County Water Authority’s (SDCWA) $1,595 rebate program, bringing the potential rebate amount up to $2,040! Although the programs have slightly different requirements, in all cases an application is required. Eligibility also differs between the programs, so you must make sure your project meets the requirements of all programs to secure the maximum return of $4,040 (note there are some maximum square footage limits). Also, do not remove your grass before getting your project approved or you will not qualify for the rebate. Rebates are distributed on a first-come, first-served basis until available funds are exhausted. Given that 50% to 80% of a household’s water use can go to irrigation, cutting water bills considerably by converting turf to a water-efficient alternative may make the effort worth the time and investment. Of course, conserving this precious resource for other uses or in case of a continuing drought is priceless!

For information on turf replacement rebates, please visit the City’s website at www.powyay.org/waterconservation or the MWD’s SoCal WaterSmart website at socalsmartwater.com, or the SDCWA’s WaterSmart website at worsmartwater.org.
Trail Dreams Closer to Reality

Tooth Rock Trail is located near the top of High Valley Road, east of Espola Road, extending from High Valley Road somewhat until reaching the overlook to Rattlesnake Canyon where an actual "Tooth Rock" sits. This trail itself is named after the large and unique tooth-shaped boulder that majestically sits above Rattlesnake Canyon and can be seen from nearly any direction in Poway. For years, trail aficionados have dreamed of improvements for this rustic yet popular trail. Recently, the elements required for development of the north end of the trail have fallen into place helping to realize a part of the vision for this unique hike.

A private developer has recently secured approval to develop multiple custom homes at the south end of Tooth Rock Road. Plans for the area include improvements to the entrance and shoulder of existing Tooth Rock Road and trail, as well as a transition from the existing asphalt to the trail connecting it with the adjacent open space. The work is also expected to correct grade and drainage issues and to provide an alternative connection to the west of the open space for future development.

This long-awaited development promises to be a "win-win solution" in regard to trail development. Trail grades that have been a maintenance challenge in the past are being corrected, and the actual trail will be designed to aesthetically blend into the community. As trail connections continue to link up in the High Valley area and efforts to expand south of Tooth Rock make progress, the Tooth Rock Trail is destined to become a popular and well-traveled major link to Poway’s current network of trails.

Your crystal ball for traffic information.

POWAY DAZE PARADE

The Rotary Club of Poway-Scripps will proudly present the 50th Annual Poway Days Parade on Saturday, September 6. The day will begin with a 5K race starting at 7:00 am, running up and down Poway Road from Community to Ponsard and finishing in Community Park. The run is being coordinated by the Rotary Club with tremendous support from the U.S. Army. Also, from 7:00-10:00 a.m., the Poway Kiwanis Club will host a Pancake Breakfast at the Boys & Girls Club. The 50th Poway Days Parade begins at 9:00 a.m., along the traditional route. Five high school marching bands have already committed to participate. Following the parade, the Soroptimists will host their annual Motorhead Madness event in the parking lot of the Boys & Girls Club. Finally, at 11:00 a.m., the Poway Chamber of Commerce will host a Poway Days Picnic in the park with food, entertainment and fun for the kids.

Donations are being sought to make this 5K and parade the best ever. In addition, sponsorship packages begin at the $5,000 Title Sponsor level. These are Platinum, Gold, Silver, Bronze and Copper levels as well and each includes a special list of benefits like preferential placement in the parade, grandstand seating, invitation to the VIP breakfast, a link on the Poway Days Parade website, and inclusion in advertisements and event flyers. To make a donation or obtain complete sponsor package details contact Pam McCormick at PowayScrippsRotary@gmail.com or call 858-354-7335.
