Upcoming Art Exhibits
Visit the Poway Center for the Performing Arts, September through June, to view our featured Art Exhibits. A new exhibit opens monthly, showcasing a wide variety of styles, techniques, and media from local and regional artists, as well as student art.

MARCH

Digital Arts Guild and Photo Arts Group
Contemporary art in digital and traditional media span visual image-making from painting, photography, fractal and sculpture, as well as the image in mixed media. Cross-Pollination 2018 illuminates this multifaceted world of contemporary art.

MAY

Tokeli
Tokeli plays with sight, sound, texture, music, and how it embodies emotion. She is interested in the intersection between what we see and what we hear, how they fit together and feed off of each other in the brain. Logistically, this translates to expressionistic-action painting to her own musical compositions. Emotion, music, and aesthetics are brought onstage together in creative collaboration.

APRIL

Palomar Council PTA Reflections Art Show
The National PTA Reflections Art Program has been bringing the arts to life for more than 10 million students since 1969. This amazing program increases community awareness of the importance of arts in education. The art reception will showcase approximately 150 Poway Unified School District student artists.
