The Salary Schedule is shown in Appendix A.
ARTICLE 6. Leaves

Section 1. Vacation

All employees who have served more than one year of continuous service shall be entitled to vacation leave with pay.

Annual vacation leave shall be computed in accordance with the following schedule:

<tr>
<td>80-hour biweekly employees</td>
<td>6.154 hours per pay period</td>
</tr>
</tbody>
</table>

B. Vacation Leave Accrual

Vacation time can be accumulated to a maximum of two times one-year's eligibility. When an employee's vacation leave accrual reaches the maximum level, the employee will stop accruing additional vacation leave until the employee uses vacation leave below the maximum level. At that time, the employee will begin accruing additional leave from that point forward.
Employees who have reached maximum accrual can request a review by the Director of Safety Services in the event a vacation request is denied.

C. Use of Vacation Time

The times at which an employee may take their vacation shall be determined by the Department Director with due regard for the wishes of the employee and particular regard for the needs of the City. All requests for vacation time off shall be for a minimum of four hours.

In the event one or more holidays fall within a vacation leave period, the normal holiday pay will be paid.

Effective December 1, 2008, no more than six employees can be on vacation or comp time off per 24-hour shift.

Requests for vacation times are determined on a first-come, first-served basis. In the event that multiple requests for vacation are received at the same time, seniority will be the deciding factor. Seniority as it is referred to here shall be determined by the date of hire within the City of Poway Department of Safety Services. If more than one employee shares the same date of hire, a method of chance will be utilized to determine the individual that will be granted the vacation time off. This could include the selection of a recorded number, draw of the cards, or roll of the dice.

When it is necessary to hire back to fill a vacancy to maintain the Department staffing plan, a system of rank-for-rank hire back shall be utilized first. In the event this process does not result in filling the vacation request, then employees who meet the Department’s requirement to serve in an out-of-class-acting (OCA) capacity shall be contacted to fill the vacancy. In no event shall an individual of a higher rank be utilized to fill a lower ranking position without first consulting the Battalion Chief if during the normal work day, or the Duty Chief if after hours. The decision of the Chief Officer on this matter will prevail.

D. Payout of Vacation Leave

Employees who terminate employment shall be paid a lump sum for all vacation leave earned prior to the effective date of termination, as required by law.

E. Vacation Conversion

The City will allow the conversion of accumulated vacation to cash subject to the following requirements:

1. An employee must have at least three years of continuous service with the City.
2. A maximum of two shifts (48 hours) per year may be converted to cash at the current hourly rate.
3. After the conversion, the employee must have at least 96 hours of accrued vacation.

**Section 2. Sick Leave**

A. Sick Leave Use

Sick leave shall be allowed for the following qualifying reasons:

- For the employee’s own illness or injury.
- For the employee’s own diagnosis, care, or treatment of an existing health condition, or preventative care, including medical and dental appointments.
- For the diagnosis, care or treatment of an existing health condition or preventative care for an employee’s family member, including: parent, parent-in-law, child, spouse, domestic partner, grandparent, grandchild, or sibling.
  - In accordance with the California Kin Care Law, regular full-time employees may use available Family Sick Leave (FSL) to care for a family member. If FSL is exhausted, employees must use other available accrued leave (e.g., vacation).
- To obtain relief or services related to being the victim of domestic violence, sexual assault, or stalking, including the following with appropriate certification of the need for services:
  - A temporary restraining order or restraining order
  - Other injunctive relief to help ensure the health, safety or welfare of themselves or children.
  - To seek medical attention for injuries caused by domestic violence, sexual assault, or stalking.
  - To obtain services from a domestic violence shelter, program, or rape crisis center as the result of an act of domestic violence, sexual assault, or stalking.
  - To obtain psychological counseling related to an experience of domestic violence, sexual assault, or stalking.
  - To participate in safety planning and other actions to increase safety from future domestic violence, sexual assault, or stalking, including temporary or permanent relocation.

If an employee’s sick leave balance is exhausted, another paid leave (e.g., vacation, comp time) will be used.

Employees must use available sick leave for the first thirty days of a long-term personal illness, injury, or disability.
B. Sick Leave Accrual

Sick leave with pay may be granted to all probationary and regular employees within the Bargaining Unit who are employed in regular full-time positions. Sick leave shall not be considered a right but shall be allowed only in case of necessity and actual personal sickness or disability. Sick leave shall be accrued in accordance with the following schedule:

<table>
<thead>
<tr>
<th>Sick Leave Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>112-hour biweekly employees 5.538 hours per pay period</td>
</tr>
<tr>
<td>80-hour biweekly employees 3.692 hours per pay period</td>
</tr>
</tbody>
</table>

Sick leave shall be granted to an employee only for actual working time off.

Accumulation of sick leave shall be unlimited.

In the event a 112-hour biweekly employee is scheduled to work on a Designated Holiday and is out on sick leave, the normal holiday pay will be paid.

Employees will not accrue sick leave while on leave-without-pay status.

C. Notification

In order to receive compensation while absent on sick leave, the employee shall notify the designated Fire Department point of contact prior to the beginning of his/her daily duties.

The Director of Safety Services may require certification by an employee’s physician that the employee is able to return to work in order to receive compensation for sick leave, if:

1. The sick leave spans two or more consecutive scheduled shifts, and
2. An abuse of sick leave is suspected, and
3. The employee has been formally counseled regarding the abuse.

This requirement is at the discretion of the Director of Safety Services. However, the Director of Safety Services may require such certification when the City deems necessary, regardless of the time taken, subject to prior employee counseling.

In the event an employee does not have a sufficient amount of accumulated sick leave to receive full compensation while absent due to illness, other accumulated leaves must be used before the employee goes to a leave without pay status. Leave without pay may only be granted with the approval of the City Manager.
D. Family Sick Leave

A 112-hour biweekly employee may use accrued sick leave up to three (3) twenty-four hour shifts (72 hours) and an 80-hour biweekly employee may use up to forty-eight (48) hours of accrued sick leave in each fiscal year to care for a parent, parent-in-law, child, spouse, domestic partner, grandparent, grandchild, or sibling. Employees must notify the designated Fire Department point of contact in advance when such leave is being taken and so note in the comments section of his/her time card, as well as a Leave Request, if done in advance. An employee cannot use personal sick leave in place of Family Sick Leave.

Section 3. Holidays

A. Designated Holidays

The holidays for 112-hour biweekly employees in this unit are as follows:

New Year's Day  January 1
Martin Luther King Jr. Day  3rd Monday, January
President’s Day  3rd Monday, February
Memorial Day  Last Monday, May
Independence Day  July 4
Labor Day  1st Monday, September
Veteran’s Day  November 11
Thanksgiving Day  4th Thursday, November
Thanksgiving Friday  Friday after Thanksgiving
Christmas Day  December 25

The 80-hour biweekly employees in this unit shall be entitled to the same holidays off as other 80-hour employees in the City, which in no event shall be less than the above listed holidays.

Holiday pay for the 112-hour biweekly employees in this unit shall be 12 hours pay at their regular rate of pay.

In addition to regular pay for hours worked, employees in this unit shall be paid holiday pay, whether on or off duty on the holidays above.

To be eligible for holiday pay, an employee must be in a paid status in the pay period that includes the holiday.

Section 4. Bereavement Leave

In the event of a death in the family, a 112-hour biweekly employee shall be eligible for up to 48 hours off with pay to attend the funeral or make funeral arrangements; an 80-
hour biweekly employee shall be eligible for up to 24 hours with pay, subject to the following provisions:

A. The relatives designated shall include child, parent, sibling, grandparent, grandchild, and domestic partner. It shall also include “in-law” relatives and those relationships generally called "step".

B. Bereavement leave is not compensable when the employee is on leave of absence, bona fide layoff, or for days falling outside the employee's regular work period.

C. All requests for paid bereavement leave shall be made in writing as soon as practical but in no event later than the first day back to work, and shall be subject to the approval of the Human Resources Manager or designee.

**Section 5. Shift Trade**

Employees assigned to a 112-hour biweekly work schedule are permitted to trade shifts in accordance with the following provisions:

A. All shift trade requests are made voluntarily by the employees involved.
B. Compensable hours for involved employees will not change due to the trade.
C. Shift trades can only be agreed upon by two employees of the same rank and required certification to perform the substituted role, such as Tiller Operator.
D. Shift trades shall be scheduled for a minimum of four hours and be completed within 180 days of the initial traded hours.
E. The “banking” of shift trade hours owed by one employee to another is not permitted.
F. Shift trades must be approved following Department policy.
G. Upon approval, the traded shift becomes the responsibility of the substituting employee. If the substituting employee is unable to work the traded shift due to illness, the substituting employee shall be charged sick leave.
H. Shift trades should not cause overtime.

Shift trades between employees will not be considered when determining the maximum number of employees off during a 24-hour shift.

**ARTICLE 7. Payroll and Workweek**

**Section 1. General**

Employees in this unit shall be assigned to either an 8-hour or a 24-hour shift. The workweek will consist of 40 or 56 hours respectively.
Section 2. Overtime

Work in excess of the employee's regular scheduled time will constitute overtime, and if such time is approved, it shall be compensated at one-and-one-half (1-1/2) times that employee's regular rate of pay.

The FLSA work period for 112-hour biweekly employees will be a 24-day FLSA 7(k) work period, effective within 30 days of approval of the 2017-2019 Memorandum of Understanding. The number of overtime hours shall be determined in accordance with the provisions of FLSA and this Agreement.

The City will establish a “level paycheck” system under the FLSA by taking the annual amount of FLSA overtime hours (152 hours) for shift employees on a 24-day work period and dividing by the number of pay periods in the fiscal year (26 pay periods). This calculation of 152 hours of annual FLSA overtime divided by 26 pay periods is approximately 5.85 hours of FLSA overtime, which will be prepaid each biweekly pay period in advance of the 24 day FLSA period. Any prepayment of FLSA overtime is an advance and must be repaid upon termination of employment.

For the purposes of computing overtime, hours of paid leaves of absences shall be considered as hours worked. Workers Compensation leave (Labor Code §4850) shall not be considered hours worked for purposes of computing overtime. In instances where an additional shift or unscheduled hours are worked prior to the first day of Workers Compensation leave within the employee’s FLSA period, the additional shift or unscheduled hours shall be paid at the FLSA overtime rate.

With the change of the FLSA work period in the 2017-2019 MOU, the City will pay out, at the rate of pay in effect with the pay period ending June 18, 2017, any current fire hour balances (as calculated by the Finance Department) owed to members of the bargaining unit, within 30 days following approval of the Memorandum of Understanding. Hours currently owed to the City will be forgiven. At time of hire, new employees must sign an agreement acknowledging that if they leave City employment and the City has made a prepayment of FLSA overtime as an advance, the advance must be paid either prior to or with their final check. Current employees must sign a similar agreement no later than October 31, 2017.

Section 3. Dues Deduction

Upon written request to Human Resources, employees may elect to pay dues to the Poway Firefighters’ Association through payroll deduction. Checks will be made payable to the Poway Firefighters’ Association only.
Section 4. Compensatory Time Off (CTO)

Compensatory time off (CTO) will be earned at the straight time rate for each hour worked. The additional one-half hour of overtime compensation for each hour worked will be paid in cash. The maximum accumulation of CTO off shall be 72 hours for all 112-hour biweekly employees. The maximum accumulation of CTO shall be 80 hours for all 80-hour biweekly employees in this unit. The accumulation of hours shall be reduced to 48 hours at the end of each fiscal year for all 112-hour biweekly employees. The accumulation of hours shall be reduced to 40 hours at the end of each fiscal year for all 80-hour biweekly employees. The employee shall be compensated for the excess accumulation in a cash payment as part of the final pay period of the fiscal year. Requests for the use of CTO shall be valued the same as requests for vacation time off. All requests for CTO must be for a minimum of four hours. Effective December 1, 2008, no more than six employees can be on vacation or CTO per 24-hour shift.

Requests for cash payment of accumulated CTO throughout the fiscal year, other than mandatory reduction at the end of the fiscal year, shall be paid during the pay period in which requested.

Section 5. Call-Back Time

Employees called back to work after expiration of their normal work day or shift to perform emergency work shall be guaranteed minimum call-back time of two (2) hours at the appropriate overtime rate in the event the employee is released from duty within two (2) hours from the time of call. Call-back time will begin at the time of the call when the employee is required to prepare for and report to duty immediately. The employee shall make every effort to report to work as soon as possible after being called back, and in no event shall call-back pay commence sooner than one hour prior to the time the employee reports to work. For purposes of determining eligibility for minimum call-back time, returning to duty to maintain a manning level as determined by the Director of Safety Services will be considered emergency work.

ARTICLE 8. Benefits

Section 1. Health

Health benefit premiums for each employee shall be paid in full by the City. Dependents of each employee may also be covered by health benefit coverage, upon proper application and acceptance. The cost of dependent coverage of the medical and dental plan will be shared equally between the City and the employee for any PPO plans. The City agrees to increase the City contribution for dependent care for HMO medical plans to 60%. The employee will contribute 40% of the dependent contribution. This will take effect with the plan year beginning December 1, 2017. The employee's share of the cost will be made through payroll deduction. The parties to this Agreement
agree to work with the City Insurance Committee to keep the overall cost of future premium increases to a minimum.

**Section 2. Eye Care**

The City will provide an eye care plan. The City shall pay 100% of the premium for the employee and his/her dependent coverage.

**Section 3. Life Insurance**

The first day of the month following date of hire, an employee, upon proper application and acceptance by the insurance company, shall be covered under a group life insurance plan for the amount of one and one-half (1-1/2) times annual income ($15,000 minimum).

**Section 4. Long-Term Disability Income Insurance**

This employee benefit provides for the payment of a monthly income benefit payment for those covered employees disabled by injury or sickness.

The monthly benefit provided under this coverage will be 66-2/3 percent of the employee's monthly earnings. The acceptance of an employee’s application for long-term disability is subject to the approval of the insurance carrier. The insurance carrier is responsible for calculating the exact benefit amount, based on each individual's income status.

The insurance carrier for this coverage requires a thirty (30) day waiting period from the first day of the disability to the beginning of the monthly benefit payment period.

The City pays 100% of the premium.

An employee may use sick leave and other accrued leave to supplement coverage under this benefit up to, but not in excess of, 100% of his/her regular rate of pay.

**Section 5. Flexible Spending Benefits Program**

The City will maintain a Flexible Spending Benefits Program in accordance with applicable IRS statutes and the Affordable Health Care for America Act (AHCAA) in order to provide employees the greatest possible tax benefit.

**Section 6. Deferred Compensation**

In addition to the City’s existing 457 deferred compensation plan, the City will provide a 401(a) Deferred Compensation Plan. Only full-time employees shall be eligible for this benefit. Employees hired on or before June 30, 2004, shall have a one-year vesting
period for the 401(a) plan. For those hired on or after July 1, 2004, the vesting schedule will be as follows for any contributions made by the City:

From date of hire until second anniversary – 0% of accumulated value  
Second anniversary of employment – 20% of the accumulated value  
Third anniversary of employment – 40% of the accumulated value  
Fourth anniversary of employment – 60% of the accumulated value  
Fifth anniversary of employment – 80% of the accumulated value  
Sixth anniversary of employment – 100% of the accumulated value

Section 7. Retirement Health Savings Plan

B. Any fees related to the RHSP will be paid by employees.

C. Annual conversion of sick leave hours:

   Employees must annually convert 40 hours of sick leave to cash as an RHSP deposit in the pay period that includes July 1 when:

   1. Their sick leave balance is at least 200 hours after conversion; and
   2. The employee used 72 hours or less sick leave in the prior fiscal year (July 1 – June 30).

D. Conversion of sick leave hours at service/non-disability retirement:

   1. Remaining sick leave hours at service/non-disability retirement shall be converted to cash as an RHSP deposit.
   2. The maximum cash value shall be $11,819.70 effective July 1, 2017.
   3. The maximum cash value shall increase to $12,056.09 effective July 1, 2018.
   4. The maximum cash value shall thereafter increase by the same percentage as future MOU salary increases (e.g., 2% across-the-board salary increase would increase the maximum by 2%, or $11,819.70 x 1.02 = $12,056.09) effective the same date as that salary increase.
   5. If future salary increases vary by rank, the maximum cash value shall increase by the highest percentage salary increase granted for any rank represented by the Association.
Section 8. Computer Loan Program (Employee Computer Purchase Program Policy & Procedures)

Any regular City employee who has completed his/her initial probationary period is eligible to apply for a loan under the City’s Computer Program. Participants must agree to comply with the requirements and provisions of the Program. Participants will be eligible to make an initial computer purchase or upgrade their existing computer system through this program.

Maximum loan amounts are established based upon the type of computer system being purchased, per the City’s policy.

ARTICLE 9. Special Pay

As such, any uniform allowance or the value of uniforms provided by the City will be reported to CalPERS as part of the employee’s annual gross income for purposes of computing the employee’s and City’s CalPERS contribution. Under the California Public Employees’ Pension Reform Act (PEPRA), a uniform allowance or the value of uniforms is not considered pensionable compensation for “new members” of CalPERS.

Thereafter, acting pay will continue for every consecutive hour worked in the acting assignment until the employee is relieved of the acting assignment.

B. In order for an employee to be eligible to work in an out-of-class position, the employee must have successfully passed the most recent promotional examination for that out-of-class position.

All appointments shall be for a probationary period of not less than one year. During the probationary period, the employee may be rejected at any time without the right of appeal or hearing. The Department Director shall have the authority to extend the initial period of probation for an additional three (3) months.

If any employee is rejected during the probationary period from a position to which he/she has been promoted, the City shall make every reasonable effort to retain the employee in any vacant position in a public safety position for which he/she is qualified. Such efforts may include acceptance of the employee's request for a voluntary demotion to a vacant position.

This provision shall not apply if the employee is released from probation due to repeated or single acts of misconduct specified in Rule 14.2 of the City's Personnel Rules.

Section 2. Prohibition of Tobacco Use

The City agrees to require new hires with an original appointment date after July 1, 2000, to not use tobacco products, and will require continued nonuse as a condition of their employment.

Reimbursement will be made directly to the affected crew members. All meals will be purchased and consumed within the City limits, whenever practical.

Section 5. Transfers

If an employee assigned to a 112-hour biweekly work schedule is transferred to a position on an 80-hour biweekly schedule, the employee’s sick leave and vacation leave accrual rates along with their respective balances shall be adjusted proportionately to reflect the new schedule for an 80-hour biweekly employee. If an employee is transferred from an 80-hour biweekly schedule to a 112-hour biweekly schedule, the sick leave and vacation accrual rate and balances shall be similarly adjusted.

Section 6. Layoff and Abolishment of Positions

The City may abolish any position and the employee may be laid off without disciplinary action or without the right of appeal.

The City agrees to meet with the Bargaining Unit Representatives 30 days prior to issuance of any layoff notices or abolishment of positions to confer over the impact and implementation of said layoffs or abolishment and to discuss alternatives and options.

However, the City Manager shall retain the final decision with respect to classifications and number of employees to be laid off.
The City’s layoff procedures are contained in Rule 13 (Separation from Service) of the City's Personnel Rules, in effect at the time the layoff decision is made.

**Section 7. Driving Eligibility**

Employees who drive a vehicle for City business shall have a valid California Driver’s License. The City participates in the California Department of Motor Vehicles’ “pull program.” The City reserves the right to check at any time with the Department of Motor Vehicles and/or an employee to determine if the employee’s license is valid. If an employee’s driver’s license is revoked, suspended or otherwise made invalid by the Department of Motor Vehicles, the employee must inform his/her supervisor immediately.

**Section 8. Licenses and Certificates**

Employees must maintain licenses and certification as outlined in their respective job specifications at all times. In order to ascertain the validity of the employee's licenses and certificates, employees must present licenses and certificates to their supervisor upon request. If the employee does not agree with the decision reached in Step Five of the Grievance Procedure, he/she may present the appeal in writing to the City Council.

Final Level of Review: The City Council upon receiving the grievance shall take such actions and such methods as it chooses and render a written final and binding decision.
