

CITY OF POWAY

Street Sweeping Schedule

Street Sweeping in the City of Poway is performed on a fixed schedule by a private contractor. All paved, **public** City of Poway maintained residential, major arterials, and non-major commercial arterial streets are swept every other week under the City’s contract. Private roads and gated communities are not included in the City’s street sweeping program.

Below is the street sweeping schedule from September 19, 2022, through April 14, 2023. City streets are divided into routes; please reference the alphabetical street route list below to determine the day a street will be swept. *Denotes a holiday, sweeping will be made up within three business days of their regularly scheduled date. Routes missed due to inclement weather will be made up within one week. For further information, please contact the Streets Division at (858) 668-4737.

This schedule is subject to change without notice.
