2016 BUILDING CODES

UPDATED BUILDING CODES EFFECTIVE 1/1/17

Effective January 1, 2017, the **2013 California Building Standards Code** (California Code of Regulations, Title 24) will replace the currently effective codes.

The new codes include:

1997 California Administrative Code	2016 California Energy Code
2016 California Building Code	2016 California Historic Building Code
2016 California Residential Code	2016 California Fire Code
2016 California Electric Code	2016 California Existing Building Code
2016 California Mechanical Code	2016 California Green Building Code
2016 California Plumbing Code	2016 California Referenced Standards Code

The above referenced codes apply to all building permit applications submitted on or after 1/1/17. These plans must indicate compliance with the updated codes.

For more information, go to <http://www.bsc.ca.gov/>

The new codes can be obtained through technical book stores or from the International Code Council (ICC) product store at <http://www.iccsafe.org>
