

I'm Tony Russo.

It's time to tackle the issues of Poway. Water, Traffic, Housing and better interaction with City Hall. I have been a Poway resident for 44 years and now am raising my 3 children in the same neighborhood I grew up in.

I am not happy with the direction of our city and that is why I am running for District 3.

Now as I look around Poway, we have lost the City in the Country character that I grew up with and I want to be a strong voice for working families and small business owners.

I understand what it's like to live and work in Poway. For 10 years I ran O'Harleys restaurant with my family and experienced the various issues small businesses encounter with city hall. I am also very active in the community thru coaching Poway Little League, flag football, school mentoring and charitable causes.

Together we can create a better Poway for our children. We can support and bring business and revenue to Poway and improve the overall quality of life in our community.

A vote for Tony Russo is a vote for our community and our future!
